The Agreement of Admission to Major Academic Programs

SIIT has 3 fields of study as follows:

Field of Studies	Programs
1. Engineering	<ul style="list-style-type: none">• Chemical Engineering• Mechanical Engineering• Civil Engineering• Electrical Engineering• Industrial Engineering and Logistics System
2. Computer Engineering and Digital Engineering	<ul style="list-style-type: none">• Computer Engineering• Digital Engineering
3. Management	<ul style="list-style-type: none">• Management Technology• Engineering Management

All SIIT students are eligible to select Major Academic Programs at the end of their first academic year. Successful admission to a preferred major depends on a student's grade-point average at the end of their first academic year, as well as the demand for the chosen program. Priority for selection will be given to students who have selected that field of study at the time of their admission to SIIT.
