

# Job Opening

URGENTLY REQUIRED

## Sales Representative

**Application Deadline: 15.03.2011**

**Start date: Mid-End of March 2011**

X-Zell Biotech Co., Ltd. is one of the first biotech startup companies in Thailand developing its own products from research and development to sales and marketing. We are based in Thailand Science Park (TSP) next to Thammasat Rangsit University and the Asian Institute of Technology.

We are looking for young professionals and graduates with a background in life science, biotech or molecular biology with a talent for sales in the life science industry. You will be based in Thailand Science Park (TSP).

### **Your profile:**

- Thai national
- Open minded and willing to 'learn by doing'
- Strong interest in life science sales and business.
- Good knowledge in written and spoken English
- The ideal candidate has a background in life science, biotech, molecular biology or related field in combination with experience in sales.

### **Your assignment may include:**

- Communication with clients and suppliers
- Frequent visits to customers and presentation of our products
- Presenting new products
- Acquire new customers independently

We offer you a market standard salary with very attractive success based sales commissions!
